Black Hills Orthopedic & Spine Center adds outreach clinic location

HOT SPRINGS – Black Hills Orthopedic & Spine Center will hold clinics at Fall River Health Services Clinic, located in Fall River Hospital on Cascade Road, beginning March 27.

Dr. Jeff Marrs is tentatively scheduled on the second and fourth Thursdays, through June, in Hot Springs, with the exception of the early date in April.

Patients who would like to schedule an appointment at the Hot Springs location are encouraged to call Black Hills Orthopedic & Spine Center at 341-1414.

Dr. Marrs will diagnose and treat injuries and conditions of the hip and knee. He will also provide total joint replacements for the hip and knee.

"I strive to provide compassionate, individualized orthopedic care to each of my patients," Dr. Marrs says. "I look forward to helping patients in Hot Springs and the surrounding areas recover from hip and knee injuries and conditions and return to their active life-styles."

Dr. Marrs completed medical school and residency training at the Mayo Foundation for Medical Education and Research in Rochester, Minn. He is board-certified by the American Board of Orthopaedic Surgery.

For more information regarding Black Hills Orthopedic & Spine Center or to schedule an appointment, please call 341-1414.
